

## Great Taste judges snap up seeded cracker

### **Golden Fork from London and the South East announced**

Celebrating the very best in food and drink, Great Taste, the world's most coveted blind-tasted food awards, has reached its grand finale for 2016. The **Great Taste Golden Fork** for the best food or drink from **London and the South East** was presented to **The Bread Factory** from London for its **Seeded Cracker**. Dubbed the “cracker of choice this year”, the judges loved this crisp cracker made with buttermilk, heaping praise on how each seed added its own “dimension of flavour”.

Out of 10,000 products entered into Great Taste 2016, the Seeded Cracker was celebrated as the best tasting product in its region at the Great Taste Golden Forks Dinner held on Monday 5 September at the Royal Garden Hotel in Kensington, where over 300 guests from the world of fine food gathered to hear the results of many months of rigorous judging.
