

HOW MUCH PRODUCT DO YOU NEED TO SEND?

Please do not send your products before you have received your delivery instructions.

This year, to comply with social-distancing guidelines, please read the following quantity details carefully. Individually-wrapped samples can be sent in the same box or parcel. Please also ensure branding is obscured where possible and that every product sent is coded correctly. All products (branded or not) must be labeled with a **BEST BEFORE** or **USE BY** date and **ALLERGENS** must be clearly marked.
