

Temporary Front of House roles early March until mid-June 2022

Gillingham, Dorset (SP8) and Southwark, London (SE1)

**Do you have what it takes to join one of our small,
dynamic food & drink teams?**

Great Taste is the world's largest and most trusted food & drink accreditation scheme organised by the Guild of Fine Food.

We are recruiting now for Great Taste 2022 in two locations – Gillingham, Dorset and Southwark, London.

Great Taste judging operates like a restaurant. The front of house role is pivotal between the warehouse and goods in, the kitchen and the judging room. Attention to detail is key to this role to ensure our team of judges receive the food & drink in the correct condition and in an expedient manner. We are looking for bright, enthusiastic and positive individuals who have excellent customer service skills, are trustworthy, hardworking and reliable.

The hours are daytime only, normally 0830 – 1800 four or five days a week from early March until mid-June. No weekends or bank holidays.
